## NOTE

Prior to the initial directorate meeting, which occurs before the team's participation in the competition, there may be a large number of players included in this output. Following that meeting the team's roster will be reduced to no more than the maximum number of players allowed. Players marked with '\*' in the 'New Entry' column might have an eligibility issue. The IIHF will verify the respective players' eligibility and come back to you in due course if any eligibility issues exist.
